## Use Case UC18 Player edit or delete her/his records

### Description

An actor who is authenticated as player must be able to edit her/his records.

### Access

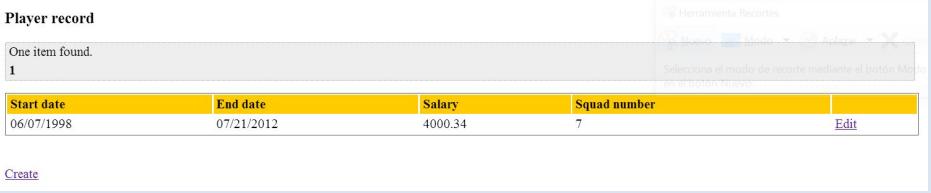

- Login as player1/player1.
- Click on “History”.

The image shows a soccer match in progress with players in various colored jerseys (red, yellow, green, blue). Below the match, a screenshot of a web application interface is displayed. The interface has a navigation bar at the top with three items: 'PLAYER', 'MATCHES', and 'PROFILE (PLAYER1)'. Underneath this, there is a dropdown menu with four items: 'History', 'Signings', 'History', and 'Trainings'. A red arrow points to the first 'History' item. The main content area contains the text 'Welcome!' and 'to Acme Champions! We never surrender'.

- Click on “Edit” link on player record list.

The screenshot shows a table titled 'Player record' with one item found. The table has four columns: 'Start date', 'End date', 'Salary', and 'Squad number'. The data for the single row is: 06/07/1998, 07/21/2012, 4.0, and 9. To the right of the last column, there is an 'Edit' button, which is circled in red.
